Dear Member,

As an active member of SEIU Healthcare Michigan, you have a no-cost **\$4,000 Accidental Death & Dismemberment** benefit. This benefit and others listed below are provided jointly through SEIU Healthcare Michigan and American Income Life Insurance Company (AIL), a 100% union company serving working families just like yours.

AIL currently has over 330,000 SEIU members covered under AD&D policies at no cost. Since 1990, more than \$31.3 million in life, health, and no-cost AD&D benefits has been paid to over 14,000 SEIU members and their families.

Please return the enclosed card so you may receive your certificate of coverage and name your beneficiary. If you do not name your beneficiary, the \$4,000 would be paid to your estate and may be taxable.

Those who return the card can receive a Health Services Discount Card for you and your family at no cost that provides household discounts of 10% to 60% on prescriptions, hearing care, vision care/products, and chiropractic care. Optional discount dental is available.

You can also receive Child Safe Kits for your children and grandchildren at no cost. These kits help you gather vital data, photos and fingerprints for authorities in the event of an emergency.

Dear Member,

The insurance programs being offered to you today are made available on a voluntary basis through the cooperation of SEIU Healthcare Michigan and American Income Life Insurance Company, a 100% union label company with a long-standing history of serving unions and their members. American Income Life currently has over 330,000 SEIU members covered under AD&D policies at no cost. Since 1990, more than \$31.3 million in total benefits have been paid to SEIU members and their families.

AIL's supplemental benefits are not in competition with any group benefits through your workplace/employer and can complement any insurance policies you may already have. If you choose to take advantage of any insurance programs offered through AIL, your benefit program is permanent and portable throughout your lifetime.

AIL's supplemental benefits include automatic built-in features to help union members during hard times, such as a strike and lay-off waiver of premium benefit.

American Income Life provides insurance services to millions of policyholders throughout the United States, Canada, and New Zealand and has over \$50.4 billion of life insurance in force. If you qualify, your coverage lasts a lifetime and is under your independent control. Once the program has been explained to you, we're sure you will agree with the many participating members how valuable this program can be in a time of need.

There are several benefits available. Please take a few minutes to listen to the AIL representative who is visiting you. If they can help you with your needs in this area, please take advantage today. We would like your feedback so please take a minute to complete the Report Form. This information helps us serve you more effectively.
