

Dear Member,

The insurance programs being offered to you today are made available on a voluntary basis through the cooperation of your union and American Income Life Insurance Company, a 100% union label company with a long-standing history of serving union members and their families.

We are privileged to provide insurance services to millions of policyholders throughout the United States, Canada, and New Zealand and have more than \$46.6 Billion of life insurance in force.

AIL's supplemental benefits are not in competition with any group benefits through your workplace/employer and can complement any insurance policies you may already have. If you choose to take advantage of any insurance programs offered through AIL, your benefit program is permanent and portable throughout your lifetime.

If you qualify, your coverage lasts a lifetime and is under your independent control. Once the program has been explained to you, we're sure you will agree with the many participating members that it's one of the most valuable programs you've ever seen.

There are several benefits available. Please take a few minutes to listen to the AIL representative who is visiting you. If they can help you with your needs in this area, we ask that you please take advantage today. If not, we would like your feedback so please take a minute to complete the Report Form so we can share this information with your union to help us serve you more effectively.

The reason we are asking you to make this decision today is we have several thousand families requesting our programs and we can only visit each family one at a time. We appreciate the opportunity to serve you and your family today.
