Remember to update your child's photo every 6-12 months!

Important Information
for Parents

- 1 Teach your child how to use 911. Your child should also know his or her full name, address and phone number.
- 2 Teach your child about the dangers of strangers. For example, never go anywhere with someone they do not know. Do not approach an unfamiliar car.
- 3 Do not place your child's name on personal items. This information could be used by strangers.
- 4 Teach your child what to do if you are separated in a public place.
- 5 Know exactly where your child is and who they are with at all times.

There is no waiting period before a missing child can be reported to the police. Report it immediately and have the info they will need on hand.
