AIL's supplemental benefits include automatic built-in features to help union members during hard times, such as a strike and lay-off waiver of premium benefit.

American Income Life provides insurance services to millions of policyholders throughout the United States, Canada, and New Zealand and has over $78.3 billion of life insurance in force. If you qualify, your coverage lasts a lifetime and is under your independent control. Once the program has been explained to you, we're sure you will agree with the many participating members how valuable this program can be in a time of need.

There are several benefits available. Please take a few minutes to listen to the AIL representative who is visiting you. If they can help you with your needs in this area, please take advantage today. We would like your feedback so please take a minute to complete the Report Form.
